

NAVAL KINDERGARTEN NAUSENABAUGH,
VISAKHAPATNAM
ACTIVITY REPORT FOR THE MONTH OF FEBRUARY 2022

1. ICE CREAM STICK - BOAT ACTIVITY (LKG)

The basic idea of this activity is to develop fine motor skills and eye hand coordination, along with having an understanding about Means of Transport. In this activity children have to tear and paste bits of newspaper and ice cream sticks on the boat. This activity was conducted live on Microsoft Teams.

A revision video was posted to all LKG class groups on 1st February 2022 .The teachers demonstrated the Activity step by step.

2. CAT MASK ACTIVITY (UKG)

An integral part of growing up is developing your imagination and creativity. Creativity is a great outlet for emotions and makes you a well- rounded adult. A video based on the above was posted in all UKG class groups on 2nd February 2022. The teacher in charge Mrs Puja Singh demonstrated the activity step by step. Children were asked to complete the activity under the supervision of their parents and share the pictures of the cat's mask in their respective class groups.

3. FRIDAY INTERACTION

A) LKG - WINTER SEASON

The first student teacher interaction for the month was conducted on 4th February 2022 which was specifically planned to explain about winter season.

Teachers explained the characteristics of winter season to children with various examples on the basis of food we eat, clothes we wear and things we do. To make it a fun activity, teachers themselves wore winter clothes and children were encouraged to do the same. Mufflers, caps and sweaters were worn which made the activity a lot of fun. A video on Winter season was also shared from Tata Class Edge.

B. UKG - PARTS OF PLANT and READING DRILL

STUDENTS SHOWING PARTS OF PLANTS

STUDENTS READING FROM PHONO DRILL

This session was specifically designed to explain parts of plant to students of UKG.

A plant with all the parts was shown as demo to students wherein the teacher described the three main parts i.e. the roots, the leaves and the stem and explained their functions too. Children were also ready with their plant as parents were informed to keep it ready.

Later, reading from phono drill was conducted from Page 21.

Students were asked to place their pointer finger and read after their teacher. They were encouraged to do reading practice daily.

4. **BASANT PANCHAMI CELEBRATION**

Basant Panchami falls on the fifth day of the month of Magha according to the Hindu Calendar. Basant Panchami marks onset of the spring season in India and the festival is celebrated in different ways in different parts of the country. It is also known as SARASWATI POOJA.

On this auspicious day, a beautiful video was presented explaining the importance of this day on 5th February 2022. The highlight of the video was Headmistress, Mrs. Swati Adak and teachers performing pooja for Maa Saraswati. The teacher in charge Mrs. Deepa Mahesh gave an introduction about the festival. Mrs. Arpana Kumari was dressed up as Maa Saraswati. Mrs. Reena Yadav sang a beautiful bhajan and culminated the event.

5. PAPER FOLDING ACTIVITY - HAND FAN ACTIVITY (LKG)

Paper folding activity or an origami activity. The basic idea of this activity is to develop their fine motor skills & eye hand coordination where children can create many things out of paper and the objects maybe two-dimensional and three-dimensional.

This activity was taken up live on Microsoft Teams on 7th February 2022. The teacher incharge Mrs Pooja Singh demonstrated the paper folding activity-fan step by step. Later children shared the pictures of their beautiful origami fan in their respective class groups.

6. GERMINATION ACTIVITY - UKG

STUDENTS SOWING SEEDS

HAPPY CHILDREN AFTER GERMINATION

Planting and watching seeds growing into a Plant is a wonderful experience for children in which children used materials like Tin, Soil, Water, and some Seeds. To explain this activity a video was posted to all the UKG class groups of NKG NSB on 8th February 2022. The teacher in charge Mrs Rachel Seth demonstrated the activity step by step. The children were asked to do the activity at home along with their parents and share the pictures (while doing the activity & after a week when the seeds grow into a Saplings) in their respective classgroups.

7. SPRAY PAINTING - UKG

Painting helps children develop their fine motor skills & decision-making skills. They need to plan ahead as to which colour should be used for different parts of the painting. Painting can help children learn sizes, shapes, patterns and designs. These are all critical aspects of their curriculum during pre-school years. Painting aids children to acquire hand-eye coordination, an important skill in their age. This is developed while they learn to paint the parts that they see; making sure their hand movement is at par with their vision.

In order to teach spray painting a video was posted to in all UKG Class Groups of NKG NSB on 15th February 2022. This activity was taken up live by Mrs. Puja Singh on Microsoft Teams. Later children were asked to complete the activity under the supervision of their parents and share their beautiful painting pictures in their respective class groups.

8. PAPER TEARING ACTIVITY (LOTUS) - LKG

Tearing & pasting improves hand strength and endurance in the small muscles in the hand which are important in so many fine motor skills, like handwriting and colouring, managing buttons etc.

In view of the above and to improve the fine motor skills a video was posted to all the LKG class groups of NKG NSB on 16th February 2022. The teacher Incharge Mrs. Rekha Kuntal explained and demonstrated the activity step by step. Children completed the activity under the supervision of parents and shared the lovely pictures in their respective class groups.

9. AN ORIGAMI AEROPLANE - UKG

The basic idea of this activity is to improve their fine motor skills and creative skills. Children were explained about the different types of Aeroplanes and its uses as means of transport.

This is an activity page of Art and Craft book. This activity was taken uplive on Microsoft Teams by teacher-in-charge Mrs. Pooja Singh. It was conducted on 22nd February 2022. Later, a revision video was also posted to UKG class groups. Children completed the activity and shared the pictures in the respective class groups.

10. A. STUDENT TEACHER INTERACTION- MY DREAM(LKG)

The third student teacher interaction was conducted on 18th February 2022, specifically for a fun filled activity which teaches students to nurture a vision for their future and to learn and understand about different professions.

Children were asked to attend online class dressed up as what they dreamt of becoming when they grow up and speak at least one line on their dream profession. It was overwhelming to see the class dressed up as defence officers, doctors, teachers, leader, etc..

Students confidently spoke on their dreams. Parents were appreciated for their efforts.

B. ADDITION (UKG)

This session for UKG was specifically planned to teach the topic Addition practically and through Mental Maths tricks.

Parents were informed well in advance to keep the material ready for the practical class.

Later, they had to do Page no. 91 from Maths note book which was related to the topic.

Students enjoyed the session thoroughly.

11. GRATITUDE DAY ACTIVITY (LKG)

The definition of gratitude is the feeling of being grateful or thankful. It shows how someone would feel if their friend or any unknown person does something exceptionally nice for them, it may be in their school, like Amma or security guard etc. The basic idea is to explain children the importance of thanking someone who helps them. In view of the same a video was posted in all LKG class groups of NSB on 23rd February 2022. This activity was taken up live on Microsoft Teams by Mrs. Pooja Singh. Later a revision video was also posted to all LKG class groups. Later children, completed the activity under the supervision of their parents and shared the beautiful gratitude card in their respective class groups.

12. CARD MAKING ACTIVITY

A video on card making was posted in all groups where flowers and leaves were used to dip in paints and create beautiful prints.

Marigold flowers were used to get a textured print. Students enjoyed it a lot.

In the end, the students were made to write a caption with parents help stating ' Bloom wherever you are planted' .

13. STUDENT TEACHER INTERACTION - MIXED FRUIT RAITALIFE SKILL ACTIVITY

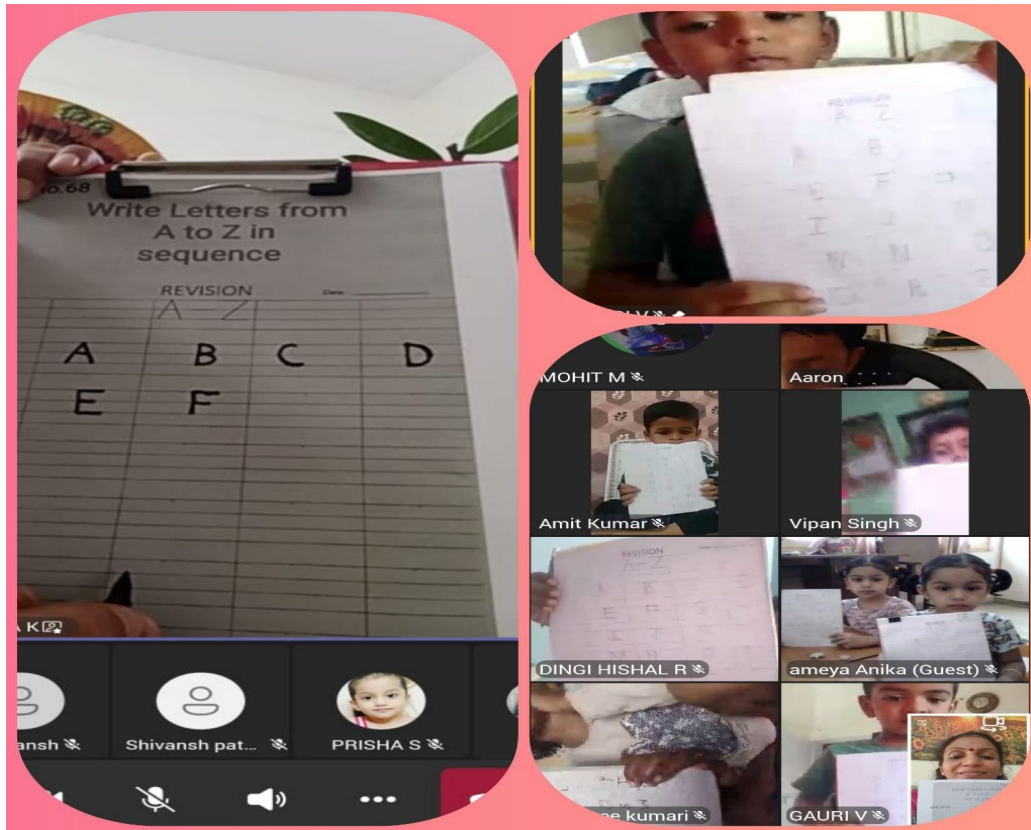

It is a known fact that raita is one of the most popular accompaniments in Indian cuisine. This yogurt-based dish is generally made with different fruits, vegetables, lentils. It is said that other than adding the goodness of dahi/curd/yogurt to a meal, raita also works as a palate cleanser while having Indian food.

But, did you ever think of having raita as a dessert? Yes, here we bring you a mixed fruit raita recipe, which can be considered as a tasty and healthy replacement of a creamy fruit bowl.

In view of the above, a life skill activity - Mixed fruit raita was conducted on 25th February 2022. Teachers conducted a fun-filled and informative activity wherein children were explained about the importance of different fruits too. It was an amazing activity and children thoroughly enjoyed it.

14. INTRODUCTION OF LIVE REVISION CLASSES ON MICROSOFT TEAMS

NKG NSB introduced Live Revision Classes on Microsoft Teams on 25th February 2022. Important topics were discussed briefly.

It was wonderful to see children actively participating and being wellgroomed for the next academic year.
