

**NAVAL KINDERGARTEN, DOLPHIN HILL, VISAKHAPATNAM**  
**ACTIVITY REPORT FOR THE MONTH OF MAY 2022**

After two years of e-learning because of Covid pandemic, the month of April had a fresh start with welcoming our tiny tots physically to the school. It continued for the month of May as well.

- **INTRODUCTION OF YELLOW COLOUR**

The colour yellow was introduced on 2nd May during assembly time; where the board was decorated based on the yellow theme. Teacher-in charge narrated a story to introduce the colour in a fun way. She also recapitulated the concept taught by asking questions to the students. Going on with the learning part, children also did 'yellow colouring activity'. They were happy to receive yellow colour smilies which was given to them as a take- away.

- **STORY TELLING ACTIVITY**

Story telling is an important aspect of children's life. It enhances their listening, imaginative and logic skills. It inculcates moral values in children. It plays an important role in improving child's vocabulary and pronunciation. The fish and snake story was demonstrated for UKG on 4<sup>th</sup> May for the holistic development of the children.

- **INTRODUCTION OF GREEN COLOUR**

Naval KG, Dolphin Hill conducted 'Green Day' assembly on 4th May to introduce children into the mesmerizing realm of colours. The assembly started with showing Green colour objects. The young ones sang song 'Teen Tote'. The classes were also decorated with Green coloured objects. The 'Green Day' celebration was a wonderful learning activity which helped children to sort and classify objects based on colours there by reinforcing cognitive skills.

- **INTRODUCTION OF ORANGE COLOUR**

Naval KG, Dolphin Hill conducted 'Orange Day' assembly on 5th May to introduce children into the mesmerizing realm of colours. The assembly started with showing Orange colour objects. The young ones sang song 'Orange, orange, orange...all around!' The classes were also decorated with Orange coloured objects. The 'Orange Day' celebration was a wonderful learning activity which helped children to sort and classify objects based on colours there by reinforcing cognitive skills.

- **PAPER TEARING AND CRUMBLING ACTIVITY**

A group activity of crumbling the yellow paper pieces into tiny balls and then pasting the same on mango outline drawn on a chart paper was done by UKG children 5<sup>th</sup> May. This activity helped in developing their Fine motor skills.

- **WORLD HEALTH DAY DAY SPECIAL ASSEMBLY**

World Health Day was celebrated in the assembly on 5<sup>th</sup> May to create awareness among our tiny tots about the importance of health. Children were taught to make good eating habit to stay healthy.

- **INTRODUCTION OF BROWN COLOUR**

The colour Brown was introduced on 6<sup>th</sup> May during assembly time; where the board was decorated based on the brown theme. Teacher-in charge narrated a story to introduce the colour in a fun way. She also recapitulated the concept taught by asking questions to the students. Going on with the learning part, children also did 'brown colouring activity'.

- **VEGETABLE PRINTING ACTIVITY**

This activity of imprinting the impressions of different kinds of vegetables dipped in poster colours, on paper sheets was conducted for UKG children on 6<sup>th</sup> May. This helped enhancing their eye hand coordination and fine motor skills.

- **MOTHER'S DAY SPECIAL ASSEMBLY**

Mother's day special assembly was conducted on 6th May. This day is celebrated to honor and thank our mothers for the important role they play in our lives. The teacher explained about the significance of the day. Greeting cards were made by the children as take away to express their love and gratitude for their mothers.
