All the children participated with full enthusiasm and narrated beautiful stories with the help of different props, conveying very encouraging and impressive morals.

➤ **GROUP ACTIVITY-FRUIT CHAAT MAKING ACTIVITY- LKG**

Life Skill Activity helps children build self-confidence, encourage critical thinking & foster independence. Fruit Chaat Activity is one of the important Life Skill Activity that teaches children to take care of their health. A group activity on Fruit Chaat making was conducted for LKG on 16th November 2022. All the children brought different fruits. The teachers explained children about the benefits of having fruits every day and demonstrated the activity in a step-by-step process. The nutritional value and importance of each fruit was explained to them in detail. Later they had a fruit chaat party along with their teachers and all the kids were thrilled.

➤ **STORY TELLING :THE TRUTHFUL WOODCUTTER: UKG**

Stories play an important role in the upswing and growth of children. Nevertheless, story telling is a wonderful opportunity to magnify a child's foresight. This helps kids to develop their vision at a very young age, and through workouts like story telling, we can assist our children to cultivate good vocabulary and good values.

The story of "The Truthful woodcutter" was enacted by the teachers of UKG classes by using relevant props on 16th November. The story revolves around the poor woodcutter who greeted the angel with words of profuse thanks and great joy. The Angel was impressed by the man's honesty. She presented him with the golden and silver axes in recognition of his truthful nature. The Truthful woodcutter story **imparts a lesson about the virtues of Truthfulness**. Value system was inculcated among the children with the moral "Honesty is the best Policy."

➤ **STORY TELLING : THE FOX AND THE GRAPES : LKG**

Stories play a vital role in the growth and development of children. Stories are a great way to introduce new words and ideas into a child's language. By narrating and enacting the stories, one might tell the children the moral lessons in order to elicit favorable behavior and to discourage unfavorable behavior. Teachers play an important role in helping children understand the story and capture the message of the story. Teachers are therefore challenged to explore the content of stories and help children connect the story with their daily lives.

In view of the same the story of the Fox and the Grapes was narrated to the LKG classes in the morning assembly on 17th November 2022. The fox and the grapes story for children is a famous story with a moral. The story is about a fox and a bunch of grapes which it sees hanging. It jumped high to reach the bunch of grapes but failed. It tried again and again, but the fox missed it each time. After several failed attempts, the fox gave up and walked away saying that the grapes were too sour.

This short story teaches us to work hard to achieve our goals instead of pretending that it is not worth the try.

➤ **ROLE PLAY ON "HELPING PARENTS AT HOME" BY UKG CHILDREN**

Teaching children the importance of Helping Parents at home help them to **learn responsibility and self-reliance**. It also allows them to gradually learn its value and do anything with pride for their parents to make them feel proud. To explain it better in a more effective manner arole Play was conducted for UKG classes during morning assembly on 17th November. The topic was "Helping our parents".

➤ **ROLE PLAY ON "Eating Food" BY LKG CHILDREN**

Healthy fruits and vegetables are essential for children's growth. Teachers must teach their children about different fruits and vegetables so that they can learn to love these foods from an early age. Kids can be a bit fussy regarding healthy eating habits, so you must do everything you can to encourage them to eat well. Teaching children about fruits and vegetables will help to install good eating habits at a young age, giving them a healthy start. For the better understanding about food arole Play was conducted for LKG classes during morning assembly on 18th November by the students of LKG E. The topic was "Eating Food". Children were taught about different types of Fruits and Vegetables and from where do we get food.

➤ **GROUP ACTIVITY: COLLAGE OF ANIMALS : UKG**

Teaching kids about animals is one of the first things that is done at home and school. We can make them **understand difference between wild and domestic or farm animals and also make them aware of the importance of animals in the eco-system**. To teach them the concept of wild and domestic animals in a fun way a structured Activity was conducted on 30th November for UKG children on making collage of animals. Children were taught about Wild animals and domestic animals by respective Class Teachers. Children identified cut outs of domestic animals and wild animals and pasted them on Activity chart paper to complete the collage.
