ACTIVITY REPORT FOR THE MONTH OF FEBRUARY 2023

The year progressed further as we neared towards the fruition of our academic session. Children enjoyed each and every activity and events to the core.

- **PAPER FOLDING ACTIVITY**

Paper folding activity was done on 2nd February in the Scrap book. Paper folding helped a lot in fine motor skill development. Children did this activity with great concentration and enthusiasm.

- **PICTURE TALK**

Picture talk on the topic *My Grandfather and Grandmother* was conducted in assembly on 10th February. Grandparents came during our assembly time to shower blessings and to give words of wisdom. Children showed gratitude, love and respect towards them.

- **GERMINATION OF SEED**

Watching seeds grow is an amazing science activity for children. Our seed germination activity gave students the opportunity to see up close how a seed grows what would actually be happening under the ground. Our awesome seed growing activity turned out amazingly well, and we loved checking on the progress each day.

- **PRIZE DISTRIBUTION CEREMONY**

Kindergarten students are like a bouquet of flowers. Every step of blooming is significant. Few such steps also become the winning moments for students of Kindergarten at Dolphin Hill. To celebrate this, a prize distribution ceremony was conducted on 14th and 15th February 2023 within the school assembly. The winners of CCA Activities were felicitated by our respected Headmistress Mrs. Rakhi Khanna. Below pictures tell the tale of winning moments.

- **CONVERSATIONAL SKILLS**

LKG

Conversation skill on the topic "Telephone" was conducted on 13th February in the assembly area. The teacher introduced few lines and made children talk over the phone. The teacher explained various things to follow while talking over the phone. Children enjoyed thoroughly.

UKG

A conversation skill on 'Picnic at the Beach' was conducted in assembly. Conversation skills are important for child's development and wellbeing. It helps children to have good communication skills and express themselves in a better way. Children thoroughly enjoyed the small skit performed by their friends who told them how to enjoy on beach with family and friends.

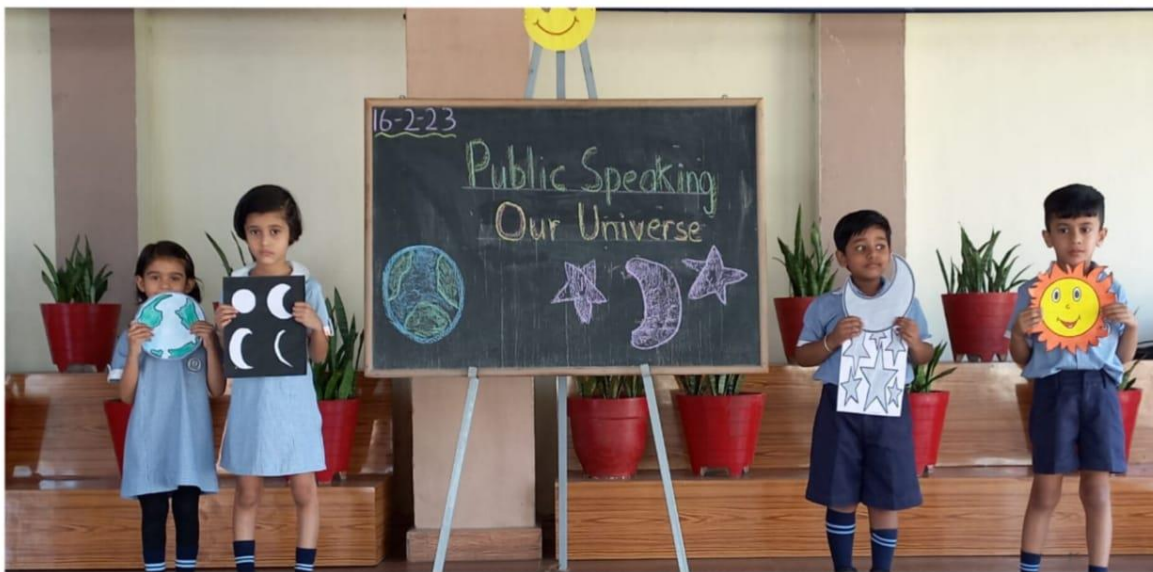

- **PUBLIC SPEAKING**

LKG

Public Speaking was held on 2nd February on the topic 'Birthday Party'. The teacher explained about importance of birthday celebration and encouraged children to share their thoughts on the special day. The children were reminded about how they celebrate the birthday by inviting their friends and relatives. Thereafter, teacher introduced few sentences related to the topic and encouraged children to repeat after her. The aim was to improve vocabulary and develop communication skills.

UKG

Public speaking on the topic 'Our Universe' was held on 16th February. The teacher explained about the 'Our Universe'. She also taught few lines about the topic and children were encouraged to repeat after her. The aim was to improve vocabulary and develop communication skills.

- **STORY TELLING**

LKG

The story of "The Monkey & The Cats" was narrated by the teacher on 6th February during the assembly time. To make the story narration more interesting, teacher used relevant props and also enacted the story. Students enjoyed listening to the story. Through this narration, teacher also tried to foster moral values in the young minds.

UKG

Story telling is an important aspect of children's life. It enhances their listening, imaginative and logic skills. It inculcates moral values in children. It plays an important role in improving child's vocabulary and pronunciation. One Nut and Two Boys was demonstrated for UKG on 2nd February for the holistic development of the children.

- **MESSAGE OF THE MONTH**

LKG

Message of the month was we like to celebrate all festivals. This activity was done on 27th February. Through festivals, children learn social skills as family members, relatives and friends get together to mark the occasion in unison.

UKG

The message of the month, "I Love Kindergarten" was conducted on 28th February through this we can inculcate the importance, love and caring towards our kindergarten school.

- **NAME OF FLOWER ACTIVITY**

As a part of curriculum, children were taught about various flowers in class. Teachers showed some common flowers to children and discussed their importance, characteristics, and properties. The same was reiterated using chalkboard, smart board, textbooks, etc. A nature walk was conducted around the school area for children to appreciate the beauty of nature and see the colourful and fragrant flowers around them. The children were then asked to write the names of some common flowers in their EVS notebooks. An important concept was taught to the children in a play-way method, and the children thoroughly enjoyed this activity.
