

NAVY CHILDREN SCHOOL, VISAKHAPATNAM
KINDERGARTEN WING, DOLPHIN HILL
ACTIVITY REPORT FOR THE MONTH OF JULY 2023

The month of July continued with fully fledged learning and various assemblies.

- **CO CURRICULAR ACTIVITIES**

'Play With Colours - Colouring Activity' was conducted for classes LKG and UKG on 6th July. Students were given to colour a page from their Art and Craft book. The children filled in the patterns with beautiful colours. This activity helped in bringing out creativity in children and enhancing their fine motor skills.

'Clay Modelling Activity – Imagination' was conducted on 21st July for LKG and UKG classes. Students were provided clay at school. The students moulded colorful clay into rainbows, fish pond, octopus, submarine, peacock, Ganpati and even an astronaut. This activity gave shape to the imaginations of our little minds. It brought out their talent, encouraged creative thinking and helped in developing their fine motor skills.

- **SANDWICH MAKING ACTIVITY**

This activity was conducted on 12th July. The teacher explained the method of making sandwich step by step. The purpose of this activity was to stress the importance of healthy food and teach valuable life skills.

- **COLLAGE OF SHAPES ACTIVITY**

This activity was conducted on 12th July. Children pasted different shapes on the pictures made on the chart paper. This helps in the development of fine motor skills, concentration power and learning to follow instructions. Children learnt more about the shapes and they thoroughly enjoyed the activity.

- **HEALTHY FOOD ASSEMBLY**

"Healthy Food Assembly" was conducted on 19th July. The teacher explained about the importance of eating healthy food. The objective was to create nutrition awareness among children by educating them about benefits of consuming nutritious foods and the harmful effects of junk food.

- **MILLETS WEEK CELEBRATION**

The year 2023 has been declared as an International year of Millets. With the objective of educating our students about the benefits of millets, Millets week was celebrated at Naval Kindergarten, Dolphin Hill from 19th July to 25th July. Various millet centric activities were conducted to spread awareness about the super food.

The activities were as follows:-

- 19.07.23(Wed) *Show and Tell* activity.
- 20.07.23(Thurs) *Art and Craft* activity.
- 21.07.23(Fri) *Quiz*
- 24.07.23(Mon) *Millet Salad Making* activity at school.
- 25.07.23(Tue) *Mighty Millet Tiffin*

Through the week long celebration, students learnt the names of different types of millets and how they can be included in our diet as a healthier option.

- **PEACOCK HAND PRINT ACTIVITY**

Handprint Activity was conducted on 24 July for UKG students. Children were asked to dip their palm in bright blue paint, and imprint of the same was taken in their EVS notebook. The thumb imprint was the head of the peacock that was decorated with beak, eyes and crest. Two legs were drawn with crayon. The children thoroughly enjoyed doing this activity as it gave them a creative insight.

- **COLLAGE OF HEALTHY AND JUNK FOOD**

Collage of Healthy and Junk food was conducted on 25th July. The objective of this activity was to inculcate the healthy eating habits in children. This activity was done to teach children about eating healthy food which keeps us strong and healthy.

- **GERMINATION OF SEED ACTIVITY**

Watching seeds grow is an amazing science lesson for kids as they are very curious about life and growth of living things. As part of the experiential learning the Germination of seeds activity was done with the aim to demonstrate how plants develop from seeds. The students germinated the seed in a container under the guidance of the teacher and noticed the growth over a week's time. It gave them the opportunity to see up close how a seed grows and what was actually happening under the ground! Their happiness was on the peak when they saw a little plant coming out. The awesome seed growing activity turned out amazingly well, and the kids loved checking on the progress each day.

- **GROUP ACTIVITY: PAPER FOLDING (BOAT, UMBRELLA AND HOUSE)**

Paper folding activity stimulates the child's imagination, improves their spatial awareness, hand-eye coordination, memory, and concentration, and is a great learning tool. The students were amazed to see transformation of a flat sheet square of paper into a finished sculpture through folding. They made house, umbrella & boat. This activity triggered their imagination and enhanced their creative skills.

- **CONVERSATIONAL SKILLS**

LKG

Conversation skill (kind words) was done on 18 July 2023. It inculcates social and emotional skills, which can help children to express themselves better, make friends and even build self-confidence.

UKG

A conversation skill on 'Caring for elders' was conducted on 12th July in the Assembly. Conversation skills are important for a child's development and wellbeing. It helps children to have good communication skills and helps them express themselves in a better way. Children thoroughly enjoyed the small skit performed by their friends who told them that we should respect our elders.

- **STORY**

LKG

Story telling plays an important role in child's overall development and wellbeing. Story 'The greedy dog' was held on 10th July. This story was explained in the form of a role play on the stage. The moral of the story 'Don't be greedy' was also explained by the teacher. A fun puppet show was also organized for the children.

UKG

The story of "The old man and his sons" was narrated by the teacher on 4th July during the assembly time. The teacher used relevant props and also enacted the story. Students enjoyed listening to the story. The objective was to foster moral values in young minds, improve their vocabulary and develop listening ability. The story was again narrated through a puppet show.

- **PUBLIC SPEAKING**

LKG

Public speaking (Everyday Routine) was done on 27th July in the assembly. Through public speaking, children can develop self-confidence, focus, leadership qualities, and the ability to overcome fear on the stage.

UKG

Public speaking on the topic "My Family" was held on 19th July. The teacher explained about members of the family for eg: Father, Mother, Brother, Sister etc. She also taught few lines about the topic and children were encouraged to repeat after her. The aim was to improve vocabulary and develop communication skills.

- **MESSAGE OF THE MONTH**

LKG

Message of the month "I LOVE MY SCHOOL" was conducted on the last day of the month. The message was conveyed to children daily in the class and colouring activity on the topic was done.

UKG

The message of the month, "Eat healthy stay healthy" was conducted on 29th July. Through this we can inculcate the importance of eating healthy food.

- **RAINBOW WRITING ACTIVITY**

Rainbow writing activity was conducted for all UKG on 4th July. Children traced "JULY" with crayons matching the colours of the rainbow. The children thoroughly enjoyed it.

- **CFD WORKSHOP**

The CFD workshop was organized for NKG teachers on 10th June. The workshop was conducted by Ms Oshima Mathur and Ms Ruma Purkayastha and was attended by Naval KG teachers from across India. The workshop entailed topics of 'Child-care and Education' and 'Fun with Phonics'. The first topic was explained by Ms Oshima Mathur about the physical, social, emotional, cognitive, gross and fine motor development of the children in their early years. She also explained the role of the teachers in overall development of the children. The second topic was explained by Ms Ruma Purkayastha, who taught various techniques of how to teach phonics, blending word formation, CVC word formation etc. At the end of the workshop teachers discussed the topic and the trainers answered a few doubts.

Mrs Mayurie Singh and Mrs Nisha Kamboj from Naval KG, Dolphin Hill, Visakhapatnam attended this CFD workshop online and conducted the same workshop in school and shared the knowledge with their colleagues.

- **LEAF PRINTING ACTIVITY**

Leaf printing activity was done on 17th July. By activity teacher in the classroom. Children are exploring their different textures, shapes, and colours. It develops their fine-motor skills as well as allows them to explore different shapes, colours and printing works.

- **PICTURE TALK- ICE CREAM AND HOUSE**

An Activity was conducted in the assembly, 'Picture talk ' on House on 19th July. Teacher explained this topic with the help of a picture and in very easy words and the Children was repeating after her. This activity developed the language skill of children.
