

NAVAL KINDERGARTEN
NAUSENA BAUGH, VISAKHAPATNAM
ACTIVITY REPORT FOR THE MONTH OF JUNE 2021

1. WORLD ENVIRONMENT DAY

Every year, World Environment Day is celebrated on 5th of June to spread awareness among people and to encourage them to take action to protect the environment.

A beautiful video was posted to all the class groups of KG, NSB. The teacher-in-charge, Mrs. Megha Pant explained the significance of our environment and emphasised on the importance of preserving and protecting our nature.

With the same aim to instill the responsibility towards saving our Mother Earth at an early age, we asked parents to encourage their ward to plant saplings in their own homes. Parents whole heartedly contributed and encouraged their children to do the activity and shared some pictures of their wards doing the activity enthusiastically.

2. PAPER CRUMBLING ACTIVITY

Paper crumpling is a simple, fun-filled, fine motor development exercise. Improving of fine motor skills and the coordination of those little hand muscles is very important for developing a child's self care ability, such as threading buttons on a shirt and holding a pencil in order to colour or write.

Children were encouraged to do this activity under parental guidance.

In view of the above, a video on paper crumpling activity was posted to all the UKG class groups of NKG,NSB on 30/4/2021. The teacher-in-charge Mrs. Puja Singh, through a video explained and demonstrated a beautiful mango made by paper crumpling.

3. BUBBLE PRINT ACTIVITY

Bubble print activity helps in sensory processing skills, gross motor skills, hand/eye coordination and visual teaching skills in children.

It is a fun activity which helps to explore and experiment with colours by combining different colours to create the bubble print.

In view of the above, a video explaining the bubble print process was posted in all the UKG class groups on 30/4/2021. The teacher-in-charge Mrs. Pooja Singh explained the bubble printing process step by step.

Parents were encouraged to guide their wards in doing the activity.

4. TEACHER-STUDENT INTERACTION

The first Teacher student interaction for the month was conducted on 18th June 2021, Friday through Microsoft Teams meeting. It was a general interaction about academics. During the interaction the teacher interacted over topics like daily reading habits, counting, doing or completing daily written work etc. Along with the academics, teachers also spoke to the children about the co-curricular activities and encouraged children to participate and do their best.

5. FATHER'S DAY

The importance of father in our lives cannot be undermined. They are our superheroes and are the pillars of our strength. In order to express their love and gratitude, Father's day is celebrated on the Third Saturday of June every year.

This year it was celebrated on 20th June 2021. The teacher-in-charge, Mrs. Sanjana Oruganti through a video explained to the children, the importance of our fathers in our lives and why we should always respect and love them. Further this was also beautifully supported by a story clipp and a rhyme.

In order to make the day creative, card making was also explained to the children and they presented the handmade card to their dearest father to make him feel special.

6. YOGA DAY

UKG

LKG

Yoga is a symbol of universal aspiration for health and well being. It is health assurance, in zero budget.

PM NARENDRA MODI

Since its inception in 2015, 21st June is celebrated as the International Day of Yoga all over the world. This idea was proposed by our own Prime Minister Narendra Modi. In order to explain the importance of Yoga to our Kindergarteners, the teacher-in-charge, Mrs. Reena Yadav prepared a video. The video beautifully explained, how yoga makes us beautiful, from inside and outside as well. As an addition, various simple yoga asanas were also depicted. The ease of doing yoga was explained using demos from little kindergarteners who performed Padma Asana, Vajra Asana, Dhanur Asana and various other asanas.

7. 'PLAY WITH COLOURS' COLOURING ACTIVITY

Colouring activity not only develops a child's fine motor skills and eye hand coordination, but also inspires creativity and allows child to build self confidence and concentration.

The first CCA activity- Colouring Activity for both LKG and UKG classes, was held on 25th June 2021 on Microsoft Teams from 9:30AM-11:45AM. Students were divided into groups of 5 and were given different time slots for the activity, so that the teacher could easily monitor each child.

The parents were briefed about all the important points regarding the colouring activity in advance through a detailed circular. The activity went well and most of the children enthusiastically participated in the activity. Later pictures of the activity done by children was shared by the parents. After receiving the pictures the best 10 pictures were selected by the class teacher and same were sent to the judging teacher to adjudge the winners.

8. COLLAGE ACTIVITY WITH SHAPES

Collage activity is very important for children during early years because it helps them develop their reasoning, creativity, imagination, problem solving skills and also enhances their motor skills and hand-eye coordination.

In order to teach children about shapes and help them improve their fine motor skills, a beautiful video on collage activity on shapes was posted to all the UKG class groups of KG, NSB on 25th June 2021.

The teacher-in-charge Mrs. Pooja Singh in the video demonstrated the activity step by step using cut outs of shapes and Fevicol and created a beautiful scenery.

9. AZADI KA AMRIT MAHOTSAV

Azadi ka Amrit Mahotsav is a series of events to be organised by the government of India.

In continuation to this series, Naval Kindergarten hosted the second event named Patriotic Rhymes/Songs for our little ones. Numerous videos were received from both LKG and UKG students with enthusiastic participation.

There is no better way to instill the feelings of patriotism in kids.
