**ACTIVITY REPORT FOR THE MONTH OF DECEMBER 2021**

**1. STUDENT TEACHER INTERACTION (3rd DECEMBER 2021)**

**LKG - DOMESTIC AND WILD ANIMALS**

2 videos on domestic and wild animals were shown from Tata class edge in Microsoft Teams. The main objective was to discuss the animals that live in forest and on farms or near our house. Also, the differences between both the animals were discussed. Later children were asked questions and they enthusiastically participated.

**UKG - TRAFFIC LIGHT MAKING**

An activity on traffic light making was conducted by UKG class teachers on MS Teams. Parents were informed in advance to be ready with the materials required to make the traffic light. Step by step instructions were given on how to make the traffic light and children followed it. While sticking each light, teachers told the importance of each light colour and what it indicates.

After the activity, a video was shown from the EVS chapter 'Being Safe On Road' and the teacher gave a detailed explanation over the topic and asked questions related to the video.

## **2. NAVY DAY CELEBRATIONS ( 4TH DECEMBER 2021 )**

The Navy Day is celebrated every year on 4<sup>th</sup> December to commemorate the attack on the Karachi harbour during the India- Pakistan war in 1971. On this day, the Indian Navy's attack on Karachi harbour contributed to the ultimate victory of the Indian Armed Forces over Pakistan.

In order to explain the significance of Navy Day to our children, a video was posted to all the class groups of NKG NSB on 4<sup>th</sup> December 2021. The teacher in charge Mrs. Bharti Shivani, brought out that every year India celebrates December 4<sup>th</sup> as Navy Day to commemorate Operation Trident and further explained about the various events that take place during Navy Week. The video was meticulously supported by clippings from students explaining various events like Operational Demonstration, Blood donation camps, opening of fleet ships to school children etc. In the end, children and their parents were appreciated for all the efforts taken for their contribution.

### **3. BUILD A DOG'S KENNEL WITH ICE-CREAM STICKS**

Teaching children kindness & responsibility towards pets and all animals, is an invaluable lesson that encourages students to grow into empathetic individuals. Building the kennel with ice-cream sticks helps in the development of fine motor skills & encourages children to love their pets & look after them.

In view of the above, this activity was conducted by the activity teacher and children enthusiastically participated and had fun decorating the dog's kennel. A revision video was also posted in all UKG class groups.

#### **4. VEGETABLE PRINT**

Vegetable Print Activity is a terrific & inexpensive way to introduce printmaking to the students. It improves their gross & fine motor skills and promotes individual expression and creativity. Children enjoy creating piece of artwork using new and different material. This activity was conducted by activity teacher in the activity class. Later, a revision video was posted to all the groups of LKG.

#### **5. WEBINAR CONDUCTED BY MADHUBUN BOOKS (4th DEC 2021 )**

Madhubun books hosted a webinar on the topic 'Holistic Development for Foundational Years' on 4th December 2021. The webinar was presented and discussed by Ms. Vidushi G. Maan and was attended by Naval Kindergarten Nausenbaugh teachers. Some of the agenda points discussed were individualised approach, inquiry based learning and long term development. Teachers were trained on how to teach - involving play, activity, action, language and symbols. The meeting was concluded with a question-and-answer session which was very interactive and informative. We were provided with the information that Madhubun books has introduced a new set of books called '**WINGS OF WONDERS**' which is based on skill connection.

## **6. STUDENT TEACHER INTERACTION (10th DECEMBER 2021 )**

### **COLLAGE OF DOMESTIC AND WILD ANIMALS ( LKG )**

Collage is a simple craft activity that involves pasting items like cutouts of papers or pictures onto a sheet of paper. The activity not only helps children develop their eye-hand coordination & build fine motor skills but it also encourages children to learn specific topics in a fun way.

With the objective to teach children about animals and help them identify the similarities & differences among wild and domestic animals a collage making activity on Wild & domestic animals was conducted for all the LKG classes of NKG NSB on 10<sup>th</sup> December 2021 through MS Teams. The class teachers started with a short presentation where they illustrated various Wild and Domestic animals. Children were explained about the difference between the two categories and the place where they live. In the later part of the video, the teacher demonstrated the collage activity using chart paper and encouraged children to do the same at home along with their parents.

# PUBLIC SPEAKING - WINTER SEASON ( UKG )

Teachers explained the characteristics of winter season to children with various examples on the basis of food we eat, clothes we wear and things we do. Children were also taught lines about Public Speaking on Winter season. To make it a fun activity, teachers themselves wore winter clothes and children were encouraged to do the same. Mufflers, caps and sweaters were worn which made the activity a lot of fun.

## **7. FANCY DRESS ACTIVITY ( 16th & 17th DECEMBER )**

The Fancy Dress Activity was conducted on 16th and 17th December 2021 (two days) through Microsoft Teams App . Each section was judged by two teachers . In order to have a smooth session parents were briefed about all the important points regarding the Activity in advance through a detailed circular and the link for the same was shared to the participants a day prior. The Programme went well as children were all dressed up in beautiful costumes according to their selected topics and spoke a few sentences on the character they depicted. In view of the current scenario and to bring awareness on Corona Virus some children explained the importance of Hand-wash and social distancing.

## 8. COLOURFUL BIRDS - THERMOCOL BALL PASTING BY LKG

The basic idea of the activity-Picking and sticking small objects, is to develop their fine motor skills and eye hand coordination.

This activity was conducted in Activity class on MS Teams by the teacher-in-charge, Mrs. Pooja. Children pasted thermocol balls on bird's picture and completed the activity. Children were asked to complete this activity under the supervision of their parents and share the pictures in their respective class group.

## 9. PASTE THE STRAWS ACTIVITY(UKG)

The basic idea of having a Straw activity for children is to ensure they learn to re-use common items like straw or ice-cream sticks etc. which we would normally throw away. Along with this the activity helps in developing their fine motor skills and creative thinking. In view of the same a colorful activity on paste the straws was posted to all the UKG class groups of NKG NSB. All the children were encouraged to do the activity under the supervision of their parents.

## **10. CHRISTMAS AND NEW YEAR GREETING CARD MAKING ACTIVITY(LKG)**

Christmas is celebrated on December 25th every year. The festival marks the celebration of the birth anniversary of Jesus Christ. On the eve of Christmas children decorate X-mas tree and wait for gifts from Santa Claus . In view of the above Christmas Card Making Activity was conducted by activity teacher Mrs. Pooja for all classes of LKG and UKG. They were encouraged to do the activity at home. Children happily did the activity at home and shared the pictures in their respective class groups.

## **11. PARENT TEACHER INTERACTION**

Parent teacher interaction was conducted on 23rd December 2021 by class teachers. The teachers expressed their gratitude for the year long cooperation of the parents. Doubts related to the academic curriculum were clarified and parents were advised to contact the teacher anytime during the vacations for further clarification if any.

The highlight of the interaction was the Headmistress, Naval Kindergarten, Nausenabaugh, Mrs. Swati Adak's personal visit to each meeting room to wish the parents a Happy and safe Christmas and New Year.

## **12. CHRISTMAS CELEBRATIONS**

Christmas is the season of love, harmony and celebration. This is the time to celebrate Jesus Christ's birth. It is celebrated all over the world with great joy.

On this special occasion, a video was presented to all the classes of NKG NSB on 25<sup>th</sup> December 2021. The teacher in-charge Mrs. Asha Kumari through the video aptly explained the importance of Christmas. She explained that the true meaning of Christmas is to be generous and grateful in life. The highlight of the video was the carols sung by the Headmistress Mrs. Swati Adak and all the teachers of Naval Kindergarten, Nausenabaugh. A "Thank you" note was sent to the parents for their support and cooperation.
