It is desirable that the child should practice a total of 3 page of English writing and a total of 3 page of Hindi writing during the entire Summer vacation.

An illustration of a beach scene from a top-down perspective. The sky is a vibrant blue, featuring several white seagulls and two smaller blue birds. A yellow and white speedboat is docked at a curved wooden pier on the right side. The ocean is a lighter blue with white-capped waves. The beach is a sandy tan color, populated with several colorful beach umbrellas in shades of green, blue, red, and pink. A striped beach towel and a beach ball are also visible. A person is lying on a towel under a yellow and red umbrella. The text 'Enjoy your Summer Vacation' is written in a bold, yellow, sans-serif font across the middle of the image. The background is filled with a repeating pattern of faint, light blue camera icons and the text '123RF'.
