**ACTIVITY REPORT FOR THE MONTH OF FEBRUARY**  
**2024**

**1. GERMINATION ACTIVITY (LKG & UKG)**

# *Germination Activity*

Watching seeds grow is an amazing science lesson for kids as they are very curious about life and growth of living things. As part of the experiential learning the Germination of seeds activity was done on 5th February 2024, with the aim to demonstrate how plants develop from seeds for the students of UKG. The students germinated the seed in a pot under the guidance of the teacher and noticed the growth over a week's time. It gave them the opportunity to see up close how a seed grows and what was actually be happening under the ground! Their happiness was on the peak when they saw a little plant coming out.

The awesome seed growing activity turned out amazingly well, and the kids loved checking on the progress each day!

## **2. ONLINE CLASSES FOR LKG & UKG**

Online class was conducted for the students of LKG and UKG on 20th February 2024 and 22nd February 2024, on the occasion of MILAN 2024. Children enjoyed interacting with their teachers online and parents also cooperated for smooth conduct of classes.

## **3. WIZ BEE SPELL BEE LITTLE HANDS CONTEST**

Wiz Bee Spell Bee Little Hands Contest was conducted on 7th February 2024 for the students of LKG and UKG in the school premises. Parents were briefed about the contest beforehand and children were provided with practice sheets for their practice.

On the day of the contest, children were made comfortable and provided with colours and pencils for the contest and it was conducted smoothly and successfully.
