ACTIVITY REPORT FOR THE MONTH OF DECEMBER 2020

THUMB PRINT ACTIVITY(LKG)

The art activities play a critical role towards cognitive development in early childhood and thumb print/finger print art is one such activity. It is a simple and fun activity which boost fine motor skills, creativity and imagination in kindergarteners. Children love pressing their fingers into paint and create cute and surprising shapes & images.

In order to encourage the same a video on Hand Print Activity- 'Put the thumb impression and complete the animals', was posted in all the LKG class groups of NKG NSB on 1st December 2020. The teacher Mrs. Rekha Kuntal through a video explained & demonstrated the activity, step by step and children were encouraged to do this activity at home under parental guidance.
